

## SESSIONS 2–5 – MEN’S WIN STUDY

It’s time to dig into content and grow together!

One of the best things you can do as a group leader is to regularly check in with your group members.

### CONNECT

Spend some time allowing everyone to share about their weeks and connect through icebreaker questions.

### LEARN

This is a men’s four-part study that explores what it means to win in the most important areas of life. During our time together, we will focus on how to win at work, with others, with God, and within.

Throughout your time as a group, you’ll intentionally pray together. Ask God to give you an open mind and heart during the weeks ahead.

### WHAT’S NEXT?

You’ll continue the *win* for three more sessions. Your group leader will send specifics and any light homework to do prior to your next group meeting.

## SESSION 6– THIS HUMAN RACE

It's time to dig into some content and grow together. Remember, this is a safe environment, and your input is valid and welcome, so join in!

### CONNECT

Spend some time allowing everyone to share about their weeks and connect through icebreaker questions.

### LEARN

Perhaps nothing characterized the life of Jesus more than his pursuit of people whose lives and lifestyles did not look like his. If we fail to listen to people who don't experience the world the way we do, we will never bear their burdens. This is an opportunity for us to be proactive in our discussions of race relations, rather than be reactive to a recent event. Watch Andy Stanley's message called "This Human Race," and use the "Racial Injustice" discussion guide below.

### WHAT'S NEXT?

You will continue with your study and complete all four sessions. Your group leader will send specifics and any light homework to do prior to your next meeting.
